

Dear Parents and Carers,

Thank you to all the parents who joined us for Year 1 and Year 3's Curriculum Presentation to Parents this week. The children thoroughly enjoyed sharing their learning with you. Please take a look at 'Important dates for your diary' overleaf for more information on when these are taking place for other classes. Year 6 will be showcasing their talents later in the term when they perform in their production.

With best wishes, Miss Mitchell (Head of School) and Mr Webb (Executive Headteacher)

## Music: Year 3 Performed at the Royal Albert Hall

This week, Year 3 took part in the Camden Music Concert which took place at the magnificent Royal Albert Hall. The children thoroughly enjoyed joining other schools from across Camden to sing together as an huge choir.

## Curriculum Presentation to Parents...

This week Year 1 and Year 3 presented their learning to their families. Children showed our school values of **inspiration** and **excellence** through confidently sharing their knowledge. Parents particularly enjoyed listening to the children's animated poetry recitals and entertaining songs.

## Anti-Bullying Assemblies...

At the start of every term, children are reminded about what bullying is and what they should do if they or any one else feels that they are being bullied. The most important message is '**Always tell an adult**'. Children at St Mary's are very good at naming adults that they can talk to if they are worried about anything. Try using the language below at home when talking with your child.

**IS it Bullying?**

When someone says or does something *unintentionally* hurtful and they do it once, that's...

**Rude**

When someone says or does something *intentionally* hurtful and they do it once, that's...

**Mean**

When someone says or does something *intentionally* hurtful and they **keep doing it** - even when you tell them to stop or show them that you're upset, that's...

**Bullying**

## **Work of the Week!**

**This week's brilliant piece of work displayed in the school lobby is by Jhené in Year 4.**

As part of their Science learning, Year 4 have been learning about the ways humans can impact on their local environment.

Jhené has written an informative summary of how the changes humans make to their environment may affect the habitats of plants and animals, explaining the risks this may pose and how we might prevent them.

**Well done, Jhené!**

## **Our Prayer of the week...**

**May is the month of Mary**

Mary, mother of God,  
Mary mother of compassion, we ask for your prayers.  
Mother of all who are poor, you said 'yes' to God's call.

We give thanks for the inspiration of all the women and men who have answered God's call throughout time.

Inspire us and move us.  
Amen

## **Don't let a little worry turn into a big one...**

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Ms Mitchell or Ms Jackson.
