Go, shine in the
world and live
as Jesus lived.

Dear Parents and Carers,

Thank you to all the parents who have attended class Curriculum Presentation to Parents over the last few weeks. The children have thoroughly enjoyed sharing their learning with you. This week, Year 6 have begun rehearsals for their production of Oliver, which they will be performing to parents later in the Summer Term. Please take a look overleaf at 'Important dates for your diary' for more information.

With best wishes, Miss Mitchell (Head of School) and Mr Webb (Executive Headteacher)

Y1 local area walk...

This week as part of their History curriculum, Year 1 went on a walk around the local area looking at older homes (Victorian and Georgian) and newer homes (post-war and new builds).

The children enjoyed discussing the different features of the buildings that they saw.

Curriculum Presentation to Parents...

This week, Year 4 presented shared their fantastic historical knowledge about the Romans with their families. All children showed inspiration through their confident performances and impressive acting skills.

Friends of St Mary's meetings and the Family BBQ...

Would you like to be help plan and be involved in our Family BBQ?

Then come along and join the **Friends of St Mary's**. All parents from any year group are welcome to attend these meetings.

We will be planning for our Family BBQ, which is taking place later in the Summer term on Friday 7th July.

Our first **Friends of St Mary's** meeting will be on **Wednesday 7th June at 9.05am** in the school hall. We will then have another Friends of St Mary's meeting before the Family BBQ on **Friday 30th June at 9.05am**.

We look forward to seeing any parents who would like to help at the meetings!

Computing workshop in Reception class...

This week Reception class took part in a Computing workshop.

The children started to develop their programming skills using robot mice. The children practised using directional language when programming their mouse along a certain route.

Do you have any questions about school life?

We are of course, really happy to answer any questions about school, no matter how small :)

Do phone the school office to ask questions or ask to arrange an appointment to see the class teacher.

If you are worried about something, see us straight away. Don't let a little worry turn in to a big one. We also like to hear your good news. It helps to keep us going with a smile :)

Work of the Week...

Every week a great piece of children's work is showcased in the school lobby.

As part of their Science curriculum, Year 4 have been learning about living things and their habitats.

Malika has created an informative poster and a thought-provoking piece of writing on the positive and negative impact humans have on the environment.

Well done, Malika!

Our Prayer of the week...

Dear Lord,
In this month of May,
A month of apple blossom and
lighter days
Pray for us children,
Pray for us
At the two most important moments
In our life: now
And out the hour of our death
Amen
