Go, shine in
the world

Dear Parents and Carers,

We are pleased to be experiencing some lovely, warm weather and it is forecast to continue to be hot next week. Please make sure that your child has applied sun cream before coming to school and that they bring in a sun hat to help them enjoy the sun safely. We will be making sure that children are drinking plenty of water and are having breaks in the shade when needed. Children are able to keep nice and cool during lessons thanks to the aircon in the classrooms.

With best wishes, Miss Mitchell (Head of School) and Mr Webb (Executive Headteacher)

Looking After Our World Studies

This half term, children have been learning all about how to look after our world. They have been exploring ways to protect the environment, from reducing waste to planting tomatoes that help local wildlife thrive. Through hands-on activities and lively discussions, they've discovered the importance of recycling, conserving energy and caring for nature. Do talk to them about their new learning.

Camden Athletics Competition

Yesterday, children from Year 5 and Year 6 took part in the Camden schools' Athletics Competition which was held at Hampstead Heath.

The children showed our school values of **determination** and **excellence** when competing in different track and field events. We were also proud of how they showed our value of **community** by supporting each other and celebrating everyone's successes.

I have received and read the St Mary's C of E Primary School newsletter of 13.6.25

Name of child _____ Class _____

PLEASE RETURN THIS SLIP TO THE SCHOOL OFFICE AND YOUR CHILD MIGHT WIN A PRIZE :)

Work of the Week!

This week's brilliant piece of work displayed in the school lobby is by Alia-Zoe in Year 5.

As part of their Maths curriculum, Year 5 have been learning to count through zero in order to understand negative numbers.

Alia-Zoe has been able to apply this knowledge to complete problem solving and reasoning questions. Alia-Zoe has set her work out clearly and explained her thinking using her prior knowledge.

Well done, Alia-Zoe!

Our Prayer of the week...

Dear Lord,
Please open my eyes.
Please let me see those around me that are in need of my compassion.
Compel me to listen to them, to hear their needs.
Give me the heart to be interested in their troubles and provide for me the means to help them.

Amen

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Ms Mitchell or Ms Jackson.
