Go, shine in
the world

Dear Parents and Carers,

A reminder that this is the last day of term and the end of a fantastic academic year at St Mary's. We wish our Year 6 class and their families well as they move on to secondary school and thank them for their time here.

We look forward to seeing Y1-Y6 pupils back at school on Tuesday 2nd September for the start of a new school year. We also look forward to meeting with new Nursery and Reception parents and children at their 1-1 meetings in September. We wish you all a pleasant summer.

With best wishes, Miss Mitchell (Head of School) and Mr Webb (Executive Headteacher)

Work of the Week!

This week's brilliant piece of work displayed in the school lobby is by Noem in Nursery.

As part of their topic about dinosaurs, the children have been learning to name and describe dinosaurs.

Noem has created a fantastic picture of her favourite dinosaur and has clearly labelled it 'pterodactyl', showing great letter formation. She has also created her own fossil and has even role played being a palaeontologist.

Well done, Noem!
