Go, shine in  
the world

Dear Parents and Carers,

We teach our children about healthy eating as you can see from our Food Technology curriculum photos below. We have agreed the snacks that children can bring in to school. Please take a look at our Healthy Snacks poster attached to this newsletter. A healthy snack gives children's brains fuel to help them learn. Sugary snacks do not. Children must only bring in snacks for break time and in their lunch boxes that are on this poster. Items we have said are not healthy for school will be returned to you. These can be kept for children as treats at home. Thank you for your continued cooperation in supporting healthy eating.

With best wishes, Ms Marsham (Head of School) and Mr Webb (Executive Headteacher)

## Work of the Week!

This week's brilliant piece of work displayed in the school lobby is by Leo in Year 2.

As part of their English learning, Year 2 have been reading *The Princess and the White Bear King* by Tanya Robyn Batt.

Leo has written a fantastic diary entry in the role of the prince using beautiful joined up handwriting. He has included interesting adjectives and even some similes. He though really hard to ensure that his work was both neatly presented and engaging for the reader.

**Well done, Leo!**

## Our Prayer of the week...

Jesus,  
Help us to follow you each day,  
So that in our own small way  
We can help to make our world a better place.

Amen

## Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Ms Marsham or Ms Jackson.
