Go, shine in
the world

Dear Parents and Carers,

A reminder that Movie Afternoon and Movie Night are taking place next Friday. The children will be raising money for The Children's Society by making a £2 donation. Nursery-Year 2 will watch their film in the afternoon so should be collected at the end of the day as normal. Movie Night for Year 3 to Year 6 children runs until 5.30pm and children should be collected from their classrooms at this time. If you are unable to collect your child in Year 3 – 6 at 5.30pm, please let the office know that you will collect your child at 3.30pm as usual.

With best wishes, Ms Marsham (Head of School) and Mr Webb (Executive Headteacher)

Culture Capital: Year 6 at the theatre...The Lion King

This week, our Year 6 children had the fortunate opportunity to attend the West End production of the Lion King. The children were able to watch a truly magical show, which exploded with glorious colours, stunning effects and enchanting music. Here is what some of our Year 6's had to say:

'It was magical . The lighting and the scenery really brought it all to life.' **Lukas**

'It was fantastic. The actors were really impressive.' **Batool**

'It was amazing and majestic. I felt like I was taking part. I would definitely give it 5 stars. Go see it if you haven't.'

Malika. W

'It was awesome. So creative and colourful– the make up was out of this world. I just can't believe how they were able to get the floor to move that way.' **Malika. A**

'Beautiful. It was all so cool how they created it and were able to bring a movie to life. An experience I will never forget.' **Fahed**

History: Year 3 visit The British Museum

This week, our Year 3 children were given the amazing opportunity to visit the British Museum. Here they were able to explore the life and culture of the Roman's, which is their history topic this half term.

I can't believe how old these artefacts are, and how they have managed to last so long.

The Romans were here over a 1000 years ago and we can still see the tools and jewellery they had then.

I have received and read the St Mary's C of E Primary School newsletter of 30.1.26

Work of the Week!

This week's brilliant piece of work displayed in the school lobby is by Shubh in Year 1.

This week, Year 1 have been reading the non fiction text 'Spider' by Rebecca Gilpin.

Shubh used the information he learnt about spiders to create his own information text about spiders. He was able to use different literacy techniques such as headings and subheadings to guide the reader through his work. Shubh successfully used adjectives to describe what spiders look like, how they behave and where they live.

Well done, Shubh!

Our Prayer of the week...

Lord Jesus,

We pray for your protection over us at school.

Give us the wisdom for our learning studies, help us to have the strength to stand for what is right.

Please continue to Increase our faith and love for you, We ask this through Christ our Lord.

Amen
