Go, shine in
the world

Dear Parents and Carers,

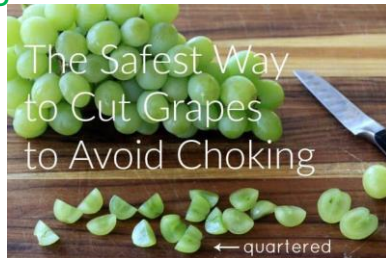

We have now concluded our Curriculum Presentations to Parents. Thank you to all the parents who joined us over the last few weeks. We hope you enjoyed seeing all of the fantastic learning that the children have done so far this year.

A reminder that Year 6 will be performing to parents in their production later in the term. See 'Important dates for your diary' overleaf for more information.

With best wishes, Ms Marsham (Head of School) and Mr Webb (Executive Headteacher)

Grapes are a choking hazard!

If you would like to give your child grapes in their packed lunch, please cut them into quarters. Thanks for your help with this.

Maths at St Mary's

Children at St Mary's enjoy learning maths every day in a range of ways. This week year 1 were making equal groups, in Nursery they were weighing nmicon, in Reception they were making up addition stories. Year 5 were looking at timetables. Maths is important for our everyday life, use these websites to help your child at home:

St Mary's Local Advisory Board

St Mary's is part of the 'Go Shine Church of England Federation' of schools. The governing body of the Federation are the governors of St Mary's. We also have a stakeholder voice group that is individual to our school. This is the St Mary's Local Advisory Board (LAB).

We have a position available for a parent member. We will be holding training sessions for any parent interested in finding out more about the commitment and what the role involves.

If you would like to find out more, please let the office know you would like to come to our training session on 3rd June at 3.00 pm.

The tiger is heavier than the car.

I made 10 equal groups of 2

A reminder that gates open at 8.45am and children should be in school by 9am ready to start their learning.

Work of the Week!

This week's brilliant piece of work displayed in the school lobby is by Del in Year 4.

In English, Year 4 have been learning about the adventures of Odysseus. After reading about his encounter with the colossal, one-eyed cyclops, Del wrote an engaging retell using creative language and carefully considered his sentences to draw the reader's attention and keep them excited. He has also used relative clauses, which add extra information to a sentence, to carefully describe characters and locations.

Well done, Del!

Our Prayer of the week...

May is the month of Mary

Dear Lord,
In this month of May,
A month of apple blossom and lighter days
Pray for us children,
Pray for us
At the two most important moments
In our life: now
And out the hour of our death

Amen

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Ms Marsham or Ms Jackson.

We are always really pleased to meet with you and chat things through.
